APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit to change the manner of use of waters of Angel Creek Spring as heretofore granted under Permit 46934 is issued subject to the terms and conditions imposed in said Permit 46934 and with the understanding that no other rights on the source will be affected by the change proposed herein. It is understood that the amount of water herein granted is only a temporary allowance and that the final water right obtained under this permit will be dependent upon the period of use and the average number of livestock served from the waters of this source. The state retains the right to regulate the use of the water herein granted at any and all times but does not take responsibility for the use of the Federal range.

This permit does not extend the permittee the right of ingress and egress on public, private or corporate lands.

The issuance of this permit does not waive the requirements that the permit holder obtain other permits from State, Federal and local agencies.

This permit is subject to the condition that the permittee must ensure that wildlife which have customarily used such water will have access thereto, NRS 533.367.

The amount of water to be changed shall be limited to the amount which can be applied to beneficial use, and not to exceed..... 0.02 cubic feet per second, or sufficient to water

105 head of cattle.

Work must be prosecuted with reasonable diligence and be completed on or before..... November 21, 1993

Proof of completion of work shall be filed before..... December 21, 1993

Application of water to beneficial use shall be made on or before..... November 21, 1994

Proof of the application of water to beneficial use shall be filed on or before..... December 21, 1994

Map in support of proof of beneficial use shall be filed on or before..... N/A

Completion of work filed JUN 11 1993

Proof of beneficial use filed JUN 11 1993
